Full stack web developer with previous management and military experience. Recently graduated from The University of Arizona Bootcamp with skills in HTML, CSS, Javascript, Bootstrap. My strengths are in meeting deadlines, ability to prioritize tasks, collaborating with others and reaching the goal as a team player. I enjoy solving problems, working with multiple tasks and being passionate about programming in general, because it gives me an opportunity to see my accomplishments online. As a very organized person and quick learner I can be a great fit for intensive projects, bring new ideas and use my strengths for problem solving.
